

TM18 Right-Angle Barrel-Mount Sensors

- Heavy-duty, die-cast metal housing with integral metal QD prevents sensor damage during machine assembly, transport, maintenance and operation
- Compact, right-angle T-style housing with 18 mm threaded lens mounts easily in tight places for added sensor protection
- All models have a visible red sensing beam for easy sensor alignment
- Completely epoxy-encapsulated electronics deliver superior durability, especially in harsh sensing environments
- Sensors rated IP69K for resistance to intermittent high-pressure washdown
- Sensors have enhanced immunity to fluorescent light and sensor crosstalk
